FALL FALL

Fall is a time when leaves fall in a fury to the ground, But not before they change from a deep deep green to shades of red and orange. A time when your feelings change from summer to winter.

Fall is a changing period for all. Fall is a time for high school, a time for crackling leaves and halloween. For scary spooks and friends. Fall is nothing but free.

Football Holds 5-5 Record With Strike.

The Varsity Football team ended their season with a 500 mark. Their record was 5-5. Two of the Blue Streak games were forfeited due to the teacher's strike thus, the streaks added two games to their schedule.

The Blue Streaks started the season with a second half comeback win over Perry started by Ed Dollar and John White. With a victory in this game, the Streaks were able to keep the little brown jug. The next game was a battle with the Eastlake North Rangers. The Streaks lost the game by a slim margin, but the real loss was a very talented Senior player, Glen Potter, who received a fractured shoulder in the game.

The next game started the NEC Season with a victory over Ashtabula Harbor. In that game the tough Streak defense held the Mariners scoreless. John White and Phil Garbark led all rushers during the game. The Streaks beat the

Ashtabula Panthers by a score of 18-0 with a fine job offensively and defensively by John Palmer.

The next two games for the Streaks had to be forfeited due to a teacher's strike. The first game after the strike was against NEC rival Geneva Eagles. Leading the way for the Streaks during the loss was John White with 203 yards rushing, and Bob Rogers who did a fine job of blocking on the front line and John Palmer with 103 yards rushing. The last regular season game was against Edgewood. Jim Tamborski led the way with a hand from Mike Orris's when he blocked the punt.

Leading the way this season was John White with 1,173 yards and a 37 yard average punting. John Palmer led the team with 13 quarterback sacks, and Scott Leone had seven interceptions for the season.

To Mr. Rick Anderson 1948-1981

We all loved you,
more than you knew.
Your warm greetings each morning,
took away the blue.

You were always kind and gentle
and easy to know,
You were talented and wise
and had much to show.

One of the best teachers,
that helped us through Madison High,
You made learning fun
and made us want to try.

God gave you a task to do,
and you were able to succeed.
You gave yourself to look up to
as many followed your lead.

And when we look back on High School,
you'll stand out in a special way.
You were one of the most respected people
and are loved to this day.

And so we thank you for being special
and helping us so much
Now we must say goodbye,
but in memory we'll keep in touch.

Quick Thoughts By Rick Anderson - December 1980

Ah, Behold
the mighty hand
came crashing in
on the walls
of life so quickly
and
with
such force
should it
not be
safe

as we pass
into he who
builds the
walls too.
Let us not
be angered
or embittered
by what
could have
been and
never was.

Let us be
pleased and
thankful
for the time
allotted
to make us
feel in such a
manner.
